

“The retreat was a wonderful way to meet and connect and to solidify our desire to work in the mission field. We would definitely participate again in the future. What a wonderful group of people!”

– **Dr. Mark and Mrs. Molly Druffner**

“It was great to see pictures and get first-hand accounts of all the sites where Mission Doctors are active in the world. I met some wonderful people who’ve done, or are on their way to doing, some amazing things.”

– **Dr. Christa Balch**

“It was most valuable meeting all of the truly wonderful people who make up MDA! I hope to serve with MDA in the future.”

– **Dr. Lori Warzeski**

“The retreat made our dream of working in Africa tangible. We met others with the same dream, motivated by the same calling, and who find themselves in similar circumstances with work and family... eager to go serve in mission. We have now gone, and come back, and are eager to share experiences and stories with the friends we met last spring who have done the same.”

– **Dr. Paul and Dr. Terese Bauer**
